Subject: Requested Increase in Rates - Docket No. 2021-346-T
Date: Wednesday, November 17, 2021 12:13:18 PM

To Kelly Moving, Inc.:

The Application for tariff amendment to increase the Company's rates does not appear to include any justification for the requested rate increases. Please forward your reasoning for the requested increases in Company rates. It would be helpful if the Commission could receive the information by the close of business on Tuesday, November 23, 2021. Please also serve the information on counsel for the Office of Regulatory Staff. (Any communications with the Commission must be copied to ORS counsel.)

Thank you.

David Butler
